	Signatory States	Date of signature
	United Kingdom	04.02.2008

Multilateral Special Agreement RID 1/2008

according to section 1.5.1 of RID and article 6 (12) of Directive 96/49/EC
concerning the transport of UN 2672 ammonia solution in rigid and composite IBCs

- (1) By derogation from the requirements of 4.1.1.10 and packing instruction IBC 03 of 4.1.4.2, UN 2672 ammonia solution with up to but not more than 35% ammonia may also be carried in rigid or composite plastics IBCs of types 31H1, 31H2 and 31HZ1.
- (2) This derogation shall not be applicable to carriage through the Channel Tunnel.
- (3) In addition to the prescribed details, the consignor shall note in the transport document:

"Carriage agreed according to section 1.5.1 of RID (RID 1/2008)".
- (4) This agreement shall apply up to 31 January 2013 to transport on the territory of those COTIF Member States which have signed this agreement. If it is revoked before that date by one of the signatories, it shall only remain in force until the above mentioned date for transport on the territory of those COTIF Member States which have signed this agreement but have not revoked it.
