The documents for the session will be placed on the OTIF website ([www.otif.org](http://www.otif.org)) under: OTIF – Technology. The documents will be available approximately one month before the meeting.

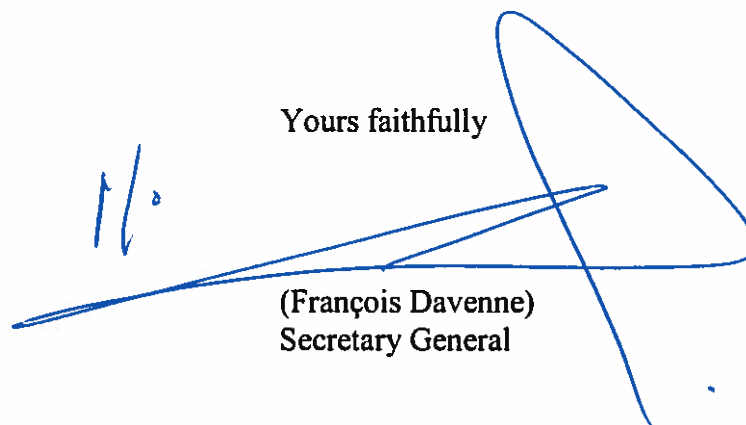

As the agenda items for this working group also concern the preparation of documents for the next session of the Committee of Technical Experts (CTE), it is important that as many of the Member States as possible participate. Please send the attached registration form to the OTIF Secretariat as soon as possible and by **6 November 2015** at the latest.

In accordance with the rules of procedure of the Committee of Technical Experts of 11 February 2009, and the decision taken by the Committee of Technical Experts at its 3<sup>rd</sup> session in February 2009, sessions of the WG TECH will be held in English only.

The following institutions, organisations and associations that were invited to the Committee of Technical Experts are also invited to participate in the working group session:

- European Railway Agency (ERA)
- International Union of Railways (UIC)
- International Rail Transport Committee (CIT)
- International Union of Private Railway Wagons (UIP)
